**Year 10 – Home Learning Timetable after Easter (Ramadhaan)**

Wednesday, 1 April 2020

Dear Parents / Carers,

We pray you and your families are well and keeping safe. Most of our Y10 students are now into a routine with their Virtual timetable and are working hard. For the few who are yet to settle into a routine please ensure as parents you are monitoring what your daughters are doing. Remember that continuing with GCSE curriculum delivery is extremely important as we want to minimise the impact the school closure will have on your daughter's GCSE outcomes in Year 11.

Please note that as the next two weeks are the Easter holiday, teachers will not be delivering virtual online lessons, however students should continue to complete work independently. We also want students to use this time to prepare themselves mentally, physically and spiritually for Ramadhaan.

After the Easter holidays the Home Learning TT will resume but with the adjusted timings of **10am-3:30pm** to accommodate for Ramadhaan, this will come into effect on Monday 20 April to Friday 22 May.

We want to take care of our students and are aware that they will be going to bed late and waking-up during the night, so we have delayed the start of the school day for their well-being, and to support them in gaining maximum benefit from this blessed month. The Friday morning routine has also been adjusted so that the lessons take place first, followed by the Assembly.

Please find the slightly adjusted Home Learning Timetable on the opposite side.

If you have any questions or queries, please don't hesitate to contact the school.

Wa-salaam,

**Ms Aamena Mayet**
